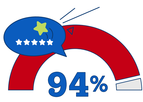
MEDICARE ADVANTAGE MEASURES UP

COALITION for MEDICARE CHOICES

DELIVERING for Seniors

Medicare Advantage is proof that the government and free market can work together to bring affordable, comprehensive coverage to millions of Americans. Medicare Advantage has strong bipartisan support because it delivers better services, better access to care and better value — all while saving taxpayers billions each year. **Americans agree: Medicare Advantage should be protected.**

Over **30 million Americans** choose Medicare Advantage for their coverage and care.



94% of senior voters with Medicare Advantage are satisfied with their coverage.

Medicare Advantage outperforms original Medicare on **16 out of 16** clinical measures.

9 in 10 senior voters with Medicare Advantage are satisfied with preventive services like vaccines and screenings and their prescription drug coverage.

4 in 5 senior voters say it is important for the federal government and the Biden Administration to protect funding for Medicare Advantage.

3 in 4 senior voters with Medicare Advantage are concerned about cuts to their benefits due to rising inflation rates.

SAVING Money for Americans

Medicare Advantage provides affordable coverage with additional benefits that original Medicare doesn't cover. And competition in the Medicare Advantage space drives low premiums and caps on annual out-of-pocket costs.

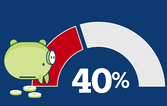
The average monthly Medicare Advantage premium for 2023 is **$18**.

98% of Medicare-eligible Americans have access to a zero-premium Medicare Advantage plan with drug coverage.

7% less spending by Medicare Advantage plans compared to original Medicare on an apples-to-apples basis, based on 2019 data.

SERVING Diverse American Communities

Policymakers and health care leaders alike are focused on ensuring that all Americans can access high-quality care and health coverage—regardless of the individual qualities that make us who we are, like our race, color, gender, disability, or health status. And Medicare Advantage delivers.



40% of Americans choosing Medicare Advantage make less than $25,000 a year.

3.7 million rural Americans served by Medicare Advantage. That's up from 3.2 million in 2020.

32% of Medicare Advantage enrollees are racial/ethnic minorities —compared to 21% of original Medicare enrollees.

Medicare Advantage has strong bipartisan support because it is a prime example of the government and free market working together to deliver better services, better access to care, and better value.

AMERICANS AGREE
Medicare Advantage should be protected.
