

Medicare Advantage

Better Services, Better Access to Care, Better Value

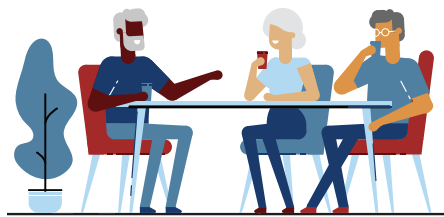

Medicare Advantage provides seniors and people with disabilities the opportunity to choose the coverage right for them. Seniors are satisfied with their access and affordability, and various benefits like prescription drug coverage, a cap on out of pocket costs, preventive services, care coordination, and mental health support. Medicare Advantage provides better services, better access to care, and better value.

We talked to senior voters across the country to hear what they really think about their coverage. **Here's what we found.**

9 in 10 senior voters are satisfied with their Medicare Advantage.

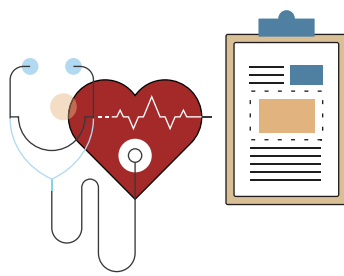

Almost 7 in 10 senior voters are very satisfied with their Medicare Advantage.

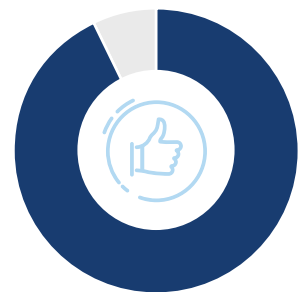

9 in 10 senior voters with Medicare Advantage are satisfied with their access to medical care.

9 in 10 senior voters with Medicare Advantage report they are satisfied with their prescription drug coverage.

9 in 10 senior voters with Medicare Advantage report they are satisfied with their preventive services, like screenings, vaccines, and testing.

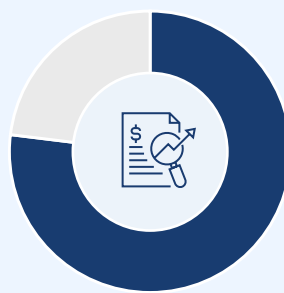

94% of senior voters with Medicare Advantage would recommend their coverage to their families or friends based on their personal experience.

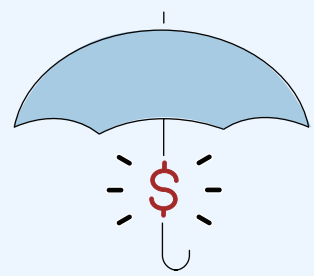

Senior voters covered by Medicare Advantage are satisfied with their coverage and comprehensive benefits. **But seniors are concerned about their ability to afford health care and other necessary expenses:**
