

Eight Benefits of Medicare Advantage that Americans Love

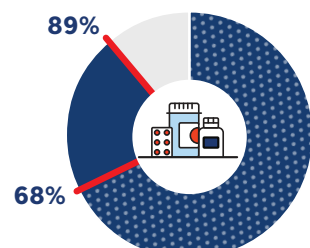

Medicare Advantage delivers affordable coverage by reducing Medicare's cost-sharing and offering additional benefits that original Medicare doesn't cover, including a cap on out-of-pocket costs.

And most plans offer additional benefits such as prescription drug coverage, comprehensive dental, vision, hearing coverage, wellness programs, in-home caregiver support, and innovative telehealth options and supplemental benefits that go beyond original Medicare. Supplemental benefits that may be offered include grocery delivery and rides to and from doctors' appointments.

Medicare Advantage helps seniors stay healthier. In a survey conducted by Morning Consult on behalf of the Coalition for Medicare Choices, we asked more than 2,000 senior voters about their benefits and here's what we found:

9 in 10 senior voters with Medicare Advantage are satisfied with the preventive services they receive - **including 68% who are very satisfied.** These services include screenings, vaccines, and testing that enable Medicare Advantage members to detect health conditions early and treat them before they become larger issues.

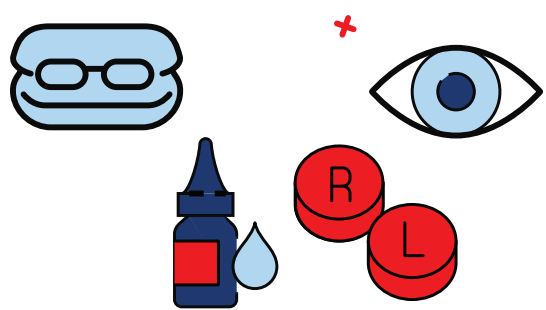

9 in 10 senior voters with Medicare Advantage said they're satisfied with their **prescription drug coverage** and **68% reported they were very satisfied.**

Wellness programs help Medicare Advantage members access home care resources and encourage them to lead a healthy lifestyle. 65% of senior voters with Medicare Advantage report being satisfied with their wellness benefits.

Unlike original Medicare, Medicare Advantage caps out-of-pocket costs. This helps seniors who have a limited budget access high-quality health care services, and has **75% satisfaction among senior voters with Medicare Advantage.**

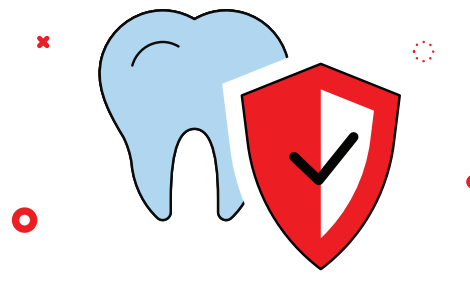

Most Medicare Advantage plans offer comprehensive vision care so beneficiaries can get glasses and eye exams. **78% of senior voters with Medicare Advantage are satisfied with their vision and eye care benefits.**

Medicare Advantage plans offer critical mental health support to millions of Americans. 76% of senior voters with Medicare Advantage who accessed mental health services were satisfied with the care they received.

Care coordination is the organization of a patient's care plan across different health care providers, like primary care doctors and specialists. **73% of senior voters with Medicare Advantage are satisfied with the care coordination they receive.**

Medicare Advantage offers coverage for dental care including annual cleanings. **65% of senior voters with Medicare Advantage are satisfied with their dental care.**

More than 32 million Americans depend on Medicare Advantage for high-quality, affordable health care. Our findings show Medicare Advantage is giving members the coverage benefits they want and need.
